Pictures & Videos

Privacy is important

Please make sure you do not post or share photos or videos of other children taken at school on any social media platforms.

Thank you for respecting the privacy & safety of families in our community.

Parking

Leave your car at home!

Parking continues to be very limited. Thank you for keeping our children safe by honouring the signage, cross walks, & drop off areas. The few spots in the parking lots are always for staff only.

Our RCMP School Liaison Officer will continue to help us monitor regularly at drop off & pick up times.

October 31 - Halloween

Wear respectful costumes to school

If your child chooses to wear a costume to school, please help them come dressed in their costumes first thing in the morning.

Halloween involves important decisions around respectful costume choice. Please check out the attachments from our District to help frame thinking & support advocacy.

Our parade begins at 9:10 am, looping through inside and outside classroom doors. Families are welcome to gather near classroom outside doors to watch & then move to the gym for a spooky dance break. Students will then head back to class for a full day with their teachers.

November 1 – PJ day

Sit back & stay cozy at school

Everyone is invited to come to school wearing pyjamas the day after Halloween. Keep things cozy the day after all that excitement.

Wet Weather Dry Clothes

Help us play & learn in a Rainforest

Living in the Pacific Northwest Coast Rainforest means we live alongside some wet weather. We go outside whenever possible. Please make sure to send rainproof layers and a change of dry clothes for your child.
